Aluminum Mesh Top USB Powered Laptop Cooler with Built in Fan – Black

StarTech ID: NBCOOLER2

The NBCOOLER2 laptop cooler is a durable, yet lightweight metal laptop cooling pad that supports netbooks or laptops ranging in size from 11-inches to 15-inches. The cooler features a vented metal mesh base and a built-in 80mm cooling fan that is powered through USB connection to the laptop/netbook, which eliminates the need for an external power adapter while quietly keeping your mobile computer cool for optimum performance.

This high quality laptop/netbook cooler is backed by a StarTech.com 2-year warranty and free lifetime technical support.

Applications

- Mobile users who may not have access to power outlets while working on their laptops/netbooks
- Users looking for a small, lightweight cooler with active cooling
- Laptop/Netbook users who freqently work outdoors

Features

- Quiet 80mm cooling fan
- Vented, metal mesh base
- Entirely powered directly from USB, no external power adapter
- Conveniently built-in USB power cable
